Proposed, seconded and carried by the council

9.2 Financial Statement. The clerk presented the statements for October. There were no questions.

10. Planning Matters

18/01714/F Change of use from Garage to One bed dwelling. The council objected to this as the Council considers that this is totally overcrowding an area of the village that is becoming over developed. Already cars are using verges and pavements to park in this area of the village as there is not enough provision for the developments. It would appear this takes the garage of a cottage on Station Road leaving the cottage to park on the roadside. The car parking space marked for this development is in front of another garage which the council are sure will be the next conversion. The council objects to the roof lights adding to light pollution in this area. The property is too small

18/01836/F Porch Woodside Cottage approved.

Approved Plans by the Borough Council –

11. Any other business (for information only) and to consider any item for next general meeting.

- No points were raised
