PDFs and other documents

Some of our PDFs and Word documents are essential to providing our services. By September 2020, we plan to either fix these or replace them with accessible HTML pages.

The accessibility regulations [do not require us to fix PDFs or other documents published before 23 September 2018](#) if they're not essential to providing our services. For example, we do not plan to fix some financial documents that are scanned images and cannot be read by a screen reader.
